

# NIBAF International Courses 2023-24

Our international programs aim to promote human resource potential of regional financial institutions. The dynamic courses offered by this institute comprehensively cover operational, analytical and technical aspects of central banking, commercial banking and Islamic banking. Besides training courses, NIBAF also offers services for conducting seminars and arranging workshops in the sphere of banking and finance. These services help countries cope with the challenging and ever changing operational environment at both regional and global fronts.
