Crash Program
Certification in AAOIFI Shari'ah Standards
(CASS) – Online Classes
09 DAYS' CERTIFICATION PROGRAM FOR PROFESSIONALS

COURSE DESCRIPTION

NIBAF has designed this crash program, in consultation with AAOIFI, to facilitate those candidates who are interested in appearing AAOIFI's CSAA exam. However, this course itself has its own worth of acceptance in shape of an advance certification in Islamic Banking & Finance like NIBAF's other courses i.e., IBCC & FIBO etc.

During the program, all Shariah Standards and Governance Standards will be thoroughly discussed mainly in 'Presentation form' along-with their main points as well as anticipated questions instead of reading the Standards.

Here are some other salient information about the program :

- ❖ Whole program will be delivered in one-go within 09 days.
- ❖ It would be an advance level program with relatively faster pace so participants should have either basic knowledge of Islamic Banking or Shariah Standards or some experience of working in any Islamic Financial institution.
- ❖ Program trainers are either AAOIFI's master trainers or familiar with AAOIFI courses and related exams.
- ❖ After thorough discussion of all standards in first 08 days, a final exam is scheduled on day#09 to award the certificates to successful participants. 60% marks along with 80% attendance are main thresholds for certification.
- ❖ Final exam would be held physically at any of NIBAF campus. Participants may appear in exam with one week as per their convenience During September 13 to 17, 2021)
- ❖ This certification may help in appearing in CSAA but it is not mapped with it.
- ❖ Fee includes course fee, study material and Certification.
