# GOVERNMENT OF PAKISTAN IJARA SUKUK

Training Mode

Online

## COURSE OVERVIEW

Recent years have witnessed a surge in Islamic investors carrying out business in a more Shariah-compliant manner. Banks and finance houses have had to develop products and services to meet the requirements of customers for Shariah-compliant products. Structuring Sharia-compliant Investments is a challenging exercise because all transactions must adhere to the principles set out under Islamic law.

This training will give participants an overview of the Tradability of Sukuk, also known as Islamic bonds. Participants will learn about the different instruments and components of an Islamic Money Market, the role of money markets and the need for Shari'ah-compliant sources of funds.
