INVESTMENT

The investment for 3-day residential programme is PKR 300,000/- which includes tuition costs, reading material, snacks, full-board accommodation and meals served during the programme.

NIBAF offers single bed accommodation at the state of the art purpose built facility in Sector H-8/1, Islamabad. Each bedroom with attached bathroom is equipped with mini-fridge, writing desk and direct dial STD/ISD telephone and cable TV. All bedrooms at NIBAF are internet-ready.

Other amenities like laundry, ironing, a gym, and an indoor sports area are also part of the facility.

FACILITATOR

Mr. Farhad Karamally

Mr. Farhad Karamally is an Organization Development (OD) consultant, leadership facilitator, published author, a habitual entrepreneur - in short 'a catalyst for change'. He specializes in unleashing human genius through leadership, creativity & change management initiatives that assist in architecting excellence in organizational cultures for transformational breakthroughs. For almost 3 decades Farhad has designed & customized value adding strategic interventions for various organizations. He has also been coaching C-suite and other senior executives since 2010. Candidates include individuals who chose coaching for themselves or are sponsored by the organization. These coaching sessions and candidate profiles are confidential and not shared publicly. Farhad uses wit and humor with an appreciative inquiry to get results and is renowned for facilitating strategic meetings with management & leadership teams to envision future strategies that are crafted by identifying their purpose.

With an academic background rooted in Management Accounting (CIMA UK) and Marketing (CIM-UK) he is a Certified Master Practitioner NLP and is licensed by American Board Neuro Linguistic Programming (ABNLP). More recently he was certified as a HBDI (Herrmann Brain Dominance Instrument) Practitioner. He has also been conferred a Professional Doctoral Certificate from European International University-Paris in 2021. In May 2023 he got certified for passing the Directors Training Program that is recognized by SECP.
