

# ISLAMIC BANKING

PROFESSIONAL DEVELOPMENT PROGRAM - IBPD

## PROGRAM OVERVIEW:

NIBAF Pakistan has developed a comprehensive 5-day Islamic Banking Professional Development Program (IBPD) to equip professionals with essential knowledge of Islamic banking practices, Shariah-compliant financial products, and practical applications of Islamic contracts. This program offers an immersive learning experience, combining theoretical insights with practical, activity-based learning. Participants will engage in experiential learning activities, group discussions, and real-world scenario analyses to deepen their understanding of core Islamic finance concepts, Shariah compliance, liability management in Islamic banks, and the role of equity-based financing.

## LEARNING OBJECTIVES:

- Understand the principles of Islamic economics and Shariah.
- Identify key differences between conventional and Islamic banking systems.
- Apply Islamic financial contracts in practical scenarios.
- Explore Shariah-compliant financing modes and investment strategies.

## KEY TOPICS INCLUDE:

- Foundations of Islamic Banking and Finance
- Principles and Objectives of Shariah (Maqasid al-Shariah)
- Key Islamic Contracts: Murabaha, Istisna, Musharakah, & more
- Short-and Long-Term Financing Modes
- Liability Management in Islamic Banks
- Risk Management through Takaful
- Shariah Governance and Compliance

**REGISTER NOW!**

## TARGET AUDIENCE:

The program is ideal for banking professionals, including Branch Managers, Branch Operations Staff, Relationship Managers (RMs), Shariah Scholars, and finance professionals from both Islamic and conventional banking sectors, who are seeking to develop or enhance their expertise in Islamic banking practices and Shariah-compliant financial products
