EMPOWERING FOR EXCELLENCE

NEXT-GEN AI – AGENTIC AI ESSENTIALS

FEE: PKR 20,000 PLUS TAX

NIBAF, PAKISTAN (KARACHI)

WORKSHOP OBJECTIVE

To equip banking professionals with a clear understanding of Agentic AI—how it differs from traditional AI, where it fits within the financial services landscape, and how to apply it practically using low-code/no-code tools like Microsoft Power Platform.

Participants will leave with both conceptual clarity and practical experience designing and deploying AI-driven agents for real-world banking challenges.

TARGET AUDIENCE

Mid to senior-level professionals. Participants from departments such as: Compliance, Risk Management, IT & Digital Transformation, Customer Experience, Human Resource, Operations and other departments as well, No prior technical background is required

9:00 AM - 5:00 PM

TRAINING MANAGER: Mr. Azim Zuberi 📞 0334-3574499
