## FACILITATOR

### ZAIN GOPLANI

Zain Goplani is a seasoned trainer and the founder of Zest Experience, a training and consultancy firm based in Istanbul, Turkey. Born and raised in Karachi, Zain has had the opportunity to study in Melbourne and now resides in Istanbul, giving him a global perspective that he brings to his work as an international facilitator. He is a Certified Professional in Design Thinking™ (CPDT™) by International Scrum Institute and a Certified Professional Trainer by IAPPD Global (UK). His mission is to facilitate people in achieving their aspirations through action, bringing with him positivity and enthusiasm in the field of learning and development. Zain has conducted trainings for different corporates across Pakistan. He has also been a prominent figure at international conferences, facilitating learning sessions in India, Jordan, Thailand, and UAE.
