

STRENGTHENING WORKPLACE ETHICS THROUGH ORGANIZATIONAL BEHAVIOR

COURSE OVERVIEW

This one-day interactive workshop will equip participants with the tools to:

- Handle ethical dilemmas with confidence.
- Promote fairness and inclusivity in diverse teams.
- Strengthen integrity through organizational justice and ethical leadership.

By incorporating Organizational Behavior (OB) at the individual, group, and organizational levels, participants will examine how values-driven decisions safeguard reputation, build trust, and support long-term business success.

COURSE CONTENTS

- What is Ethics in Business?
- Linkage Between Compliance & Ethics
- Workplace Ethics Principles
- Conflicts of Interest
- Ethical Dilemmas
- OB (Organizational Behavior) Drivers of Ethical Behavior
- Ethical Culture – Building an Ethical Organization By Using OB Tools
- Common Ethical Traps at Work and How to Avoid Them
- Case studies

TARGET AUDIENCE

As ethical issues permeate through the entire organization/bank, anyone at any level and in any function/department will benefit from this training.
