NIBAF Pakistan is well recognized for conducting both local and international training programs and information dissemination activities such as conferences, seminars, and workshops. Since its inception, NIBAF Pakistan has played a pioneering in catering to the training needs of the central bank of country, its subsidiaries as well as local banking & financial industry. It is the institute of choice for the banking professionals who are interested in enhancing their knowledge and skills in the modern banking concepts and practices including specialized disciplines like Islamic Finance, SME, Housing, Micro & Agri Finance etc.

Over the years NIBAF Pakistan has worked in collaboration with different international institutions including International Monetary Fund, World Bank, Asian Development Bank, Islamic Development Bank, USAID, European Union, SAARC Finance, INCEIF Malaysia, DA Afghanistan Bank, Central Bank of Sri Lanka, London Institute of Banking & Finance, Bahrain Institute of Banking & finance and many others for design, development, execution of the training programs and sharing of knowledge on various topics.

CFA SOCIETY PAKISTAN:

CFA Society Pakistan is a member society of CFA Institute, which was founded in 2002 and is registered with Securities and Exchange Commission of Pakistan (SECP) as a not for profit organization on 24 March 2005. The head office based is based in Karachi, and a Lahore Chapter

CFA Society Pakistan stand to promote the highest standards of ethical and professional excellence within the local investment community. Their growing member community represents a broad base within the financial and investment industry, holding various positions in leading national and global organizations such as investment and fund analysts, portfolio managers, financial analysts, investment bankers, regulators, corporate bankers and treasury managers. Active member volunteers are the core strength of the Society who help them achieve their goals.

CFA Society Pakistan's goal is to create value for members by providing relevant learning opportunities, career resources, membership support, networking, and leadership opportunities.

CERTIFICATION IN TREASURY MANAGEMENT (CTM) – Batch 5

INSIGHTS FROM OUR PARTICIPANTS!

Humayun Gohar:

"I am currently employed as a Forex Trader at JS Bank. When the opportunity to pursue the Certification in Treasury Management arose, I was eager to participate, given my role in the treasury department and my status as a fresh graduate. The program has been an excellent source of learning, offering comprehensive and practical content that is directly applicable to my current responsibilities. I particularly appreciated the inclusion of Islamic treasury concepts, which adds valuable insight to the program."

Noman Shabbir:

"As a Manager Sales FX in Islamic Treasury at Bank Islami, I found the Certification in Treasury Management to be a cost-effective and time-efficient alternative to other programs in the market. The program's focused approach on treasury management sets it apart. I would like to congratulate NIBAF-P and CFA for organizing such an outstanding initiative. I am confident that this certification will continue to grow and add value in the future."

Syed Muhammad Basit:

"I am currently serving as a Risk Analyst at JS Bank. This certification significantly enhanced my understanding of treasury middle office functions, market risk, and BASEL frameworks. I have seen marked improvements in my professional capabilities, particularly in areas such as BASEL reporting, balance sheet management, ALCO preparation, and asset-liability management. The program has been instrumental in refining my job performance and delivering tangible results."
